

# Filter Tech Systems

Designers & Manufacturers  
of Water Treatment Systems

For Potable, Tertiary and  
Re-Use Applications

## Hollow-Fiber Membrane Filtration Systems

**UltraFlex** UltraFiltration System

## Modular Package Treatment Plants

**AquaFloc** Complete Conventional Treatment

**AquaPrima** Floc/Clarifier Pre-Treatment Module

**AquaClear** Modified Direct Filtration

**AquaTech** Gravity & Pressure Media Filters

**AquaStar** Contact Clarifiers

**AquaSand** Iron/Manganese, Arsenic  
& Radium Removal Filters

**AquaPRO** Reverse Osmosis Systems

## Ion Exchange and Specialty Media

**DOWEX** Adsorbia GTO Media for Arsenic Removal

**DOWEX** RSC Radium Selective Complexer

**DOWEX** Uranium & Nitrate Selective Resin

## Components & Upgrades

**AquaMix** In-Line Flash Mixers  
& Vertical Paddle Flocculators

**AquaAir** Air/Water Wash Systems

**AquaTrol** Custom Controls & Radio Telemetry

**AquaTrac** SCADA Systems

## Filter Media

Anthracite, Sand, Garnet & Gravel

Manganese Greensand & Greensand+
